

## PROJECT NAME

ATRIUM PLUS | Architecture of the Totalitarian Regimes  
of the XX<sup>o</sup> Century in Urban Management PLUS

## DESCRIPTION

The project ATRIUM PLUS, capitalizing the results of the previous South East Europe's project ATRIUM, is aimed at creating a cultural tourist attraction of the heritage of the XXth century totalitarian regimes in an informed and ethical way. The project will define a common information strategy for visitors and carry out cross-border trainings for tourist guides, as well as a cross-border programme of study visits involving schools to test the cultural tourism potential of the architectures and memories in relation to the totalitarian regimes.

## MAIN OUTCOMES

- 3 training programmes for professional and voluntary guides
- 1 programme of study visits for schools to the considered heritage
- 1 pilot cultural routes to create new tourism packages
- 25 multilingual panels and totems
- 5.000 brochures & 5.000 leaflets

## TARGET GROUPS

- Cultural and natural heritage management bodies
- Associations
- Tour Operators
- Public Authorities
- Education and training organisations

## TOTAL BUDGET

696.770€

## DURATION

1.01.2018 - 30.06.2019
