We promote the Innovation Ecosystem in the Adriatic Area.

Talents, Startups, SMEs, Research, Mentors and Financing resources

The project ATLAS is capitalizing the baseline methodology and tools developed by the IPA Adriatic SMART INNO project, and is aimed at supporting the economic growth by stimulating innovative models of cultural tourism and leveraging creation of innovative tourism products, by means of digital technology tools, promotion of new business ideas and improving infrastructure accessibility for disadvantaged groups, that will all contribute to develop competitive tourism destinations and to decrease the seasonality.

Do you like to be part of it?

Simply by virtue of being born, the newborn girl is fourth in line for the throne. That's behind her grandfather Charles, the Prince of Wales; her father, William, who was with his wife at the hospital; and her big brother, Prince George, who was born in July 2013. The rest of the royal family – including Queen Elizabeth II, the Prince of Wales and Prince Harry – learned of the delivery shortly before the public did, via Twitter. This was before a smiling William left the hospital just after 3:50 p.m., waving to reporters before getting in a Range Rover and driving away.

ATLAS About

The screenshot shows the 'About' page of the ATLAS platform. At the top, there are logos for the European Union and Interreg Italy-Croatia ATLAS Platform, along with social media icons for Facebook, Twitter, and LinkedIn. Navigation links include HOME, INNOVATION HUB, NETWORKING, VIRTUAL LEARNING, SELF ASSESSMENT TOOL, ABOUT, and CONTACTS. A 'LOGIN' and 'REGISTER' button are also present. The main heading is 'About this project', followed by a sub-heading: 'The Ionian Adriatic innovation ecosystem platform is a unique hub collecting all instruments and information you need for developing innovative business projects.' Below this, the 'Mission' section states: 'Our mission is to enhance cooperation and to foster innovation processes throughout the whole Ionian Adriatic region, providing to all players of innovation the tools and information they need to grow.' The 'Who is it for?' section lists various stakeholders like Business Support Organizations, Technology Parks, Incubators, etc. A 'DOWNLOAD' section lists three documents: 'Project description and main goals (PDF)', 'Module of participation (DOC)', and 'Statistical Analysis of IPA Startups'. An 'EXTERNAL LINKS' section includes 'EU projects', 'IPA Projects and Funding scheme', and 'Friuli Innovazione'. A quote at the bottom reads: 'Our mission is to enhance cooperation and to foster innovation processes'. The footer contains a disclaimer about the website's production and content responsibility.

This screenshot shows an alternative layout for the 'About' page. It features a large background image of a map of the Ionian Adriatic region. The main heading 'About this project' is in a light green font, with the sub-heading in blue. The 'Mission' section is followed by a 'Who is it for?' section. A 'DOWNLOAD' section lists three documents. An 'EXTERNAL LINKS' section includes 'EU projects', 'IPA Projects and Funding scheme', and 'Friuli Innovazione'. A large quote is featured: 'Our mission is to enhance cooperation and to foster innovation processes'. Below the quote, the 'The ATLAS project' section explains the platform's origin and goals. A 'GALLERY' section shows four images of modern buildings, with a caption for 'FRIULI INNOVAZIONE ESTERNO DEL NUOVO EDIFICIO C'. The footer includes navigation links and a disclaimer.
