

Report on External Sports Event – PP3

The Zero Waste Blue team from Dubrovnik and Neretva Region chose the Mandarin Half Marathon 2019 as an external event where to promote the project and got in touch with the organizers of the sports event. The organizers gladly accepted the idea of cooperation and promotion of the Zero Waste Blue project and its' values.

Participants and visitors of the half marathon showed high interest in the project and liked the idea of it very much.

In order to promote the project and to leave a reminder of the Zero Waste Blue project to participants and visitors, the team shared/distributed some promotional gadgets and brochures of the project.

The Mandarin Half Marathon was held on 3 November 2019 and had a total of 605 participants. More information about the race: <https://www.stotinka.hr/hrv/dogadjaji/981>.
