Subject: ANKETNI UPITNIK - SUDJELOVANJE U SPORTSKIM DOGAĐAJIMA

Poštovani,

Fakultet za menadžment u turizmu i ugostiteljstvu Opatija sudjeluje kao partner u EU projektu **Zero Waste Blue** u sklopu programa INTERREG V-A Italija – Hrvatska 2014. –2020.
Cilj projekta je produljenje turističke sezone kroz provedbu održivih, "zelenih" sportskih događaja na lokalitetima značajne kulturne i/ili prirodne baštine. Isto tako, jedan od ciljeva je i što veće uključivanje osoba s invaliditetom u sportske događaje.
Kako bi mogli ostvariti taj cilj, i što kvalitetnije pristupiti organizaciji sportskih događaja, ljubazno Vas molimo da ispunite anketni upitnik klikom na [ANKETA](#).
Svrha anketnog upitnika je ispitati kako sudjelovanje u sportskim događajima utječe na život osoba s invaliditetom, s kojim problemima se susreću, te koliko su zadovoljni ponudom sportskih događaja.

Unaprijed zahvaljujemo,
Marinela Krstinić Nižić
Maša Trinajstić

- d) Visual disturbance
- e) Hearing impairment
- f) Please explain _____

2. Sport contributes to better social interaction and better leisure time:

- ☐ At all ☐ Quite ☐ Partially ☐ Not really ☐ Not at all

3. On the scale from 1 to 5, how satisfied you are with the offer of the sport events for people with disabilities:

(1 – very dissatisfied , 2 – dissatisfied, 3 – moderately satisfied, 4 – satisfied, 5 – very satisfied)

- ☐ 1 ☐ 2 ☐ 3 ☐ 4 ☐ 5

4. What are the main problems on the sport events for people with disabilities?

- a) Inadequate infrastructure
- b) Lack of misunderstanding of the organisers for people with disabilities
- c) Lack of appropriate sport facilities
- d) Please explain _____

5. How participation in sporting events affects your life?

(1 – not at all, 2 – not really, 3 – moderately, 4 – quite, 5 – very much)

a) Sport contributes to increasing my social interaction with others

☐ 1 ☐ 2 ☐ 3 ☐ 4 ☐ 5

b) Sport helps me to release most of the negative energy

☐ 1 ☐ 2 ☐ 3 ☐ 4 ☐ 5

c) With the help of sports, I forgot my disability

☐ 1 ☐ 2 ☐ 3 ☐ 4 ☐ 5

d) After sports events I often stay with my sport colleagues

☐ 1 ☐ 2 ☐ 3 ☐ 4 ☐ 5

6. Do you think that when organizing sports events it suffices to emphasize that they are adapted for people with disabilities?

a) Yes

b) No

7. Does the organization of sports events have sufficient media space for people with disabilities?

a) Yes

b) No

8. Do you have any suggestions/ideas of improving the organisation of the sport events for people with disabilities?

10 people from Sports association of people with disabilities answer on above mentioned questions. 3 people have mental problems, 3 have chronic illness, 2 physical disability and 1 have hearing impairment and 1 visual disturbance.

5 people consider that sport **quite** contributes to better social interaction and better leisure time, 4 of them answered that sport **a lot** contributes to better social interaction and better leisure time and 1 of them answered that sport **partially** contributes to better social interaction and better leisure time. It can be concluded that most of them like sports and it contributes to better social interaction and better leisure time.

Most of them (6) are **satisfied** with the offer of the sport events for people with disabilities in Primorje-Gorski kotar County.

For the main problems on the sport events for people with disabilities most of them (6) answered **Lack of appropriate sport facilities** in Primorje-Gorski kotar County.

Next question: **How participation in sporting events affects your life?**

Below are the results:

Sport contributes to increasing my social interaction with others

10 odgovora

Sport helps me to release most of the negative energy

10 odgovora

With the help of sports, I forgot my disability

10 odgovora

After sports events I often stay with my sport colleagues

10 odgovora

From the charts, it can be concluded that sport contributes **very much** to increasing in social interaction with others and to help to release negative energy. 3 people consider that sport help them **very much** to forgot their disability, 4 of them answered **quite**, and 1 consider that sport **do not** help to forgot his disability. Most of them stay with sport colleagues after sports events.

When organizing sports events **it is** suffices to emphasize that they are adapted for people with disabilities.

Organization of sports events **do not have** sufficient media space for people with disabilities.

Suggestions of improving the organization of the sport events for people with disabilities is to increase understanding and organizing events for specific types of difficulties rather than putting in the same basket all people with disabilities.
