## STEP-UP

Sustainable Transport E-Planner to Upgrade the IT-HR mobility

START DATE

01.01.2018

END DATE

30.06.2019

### SPECIFIC OBJECTIVE

4.1 - Improve the quality, safety and environmental sustainability of marine and coastal

### TARGET GROUPS

- General public
- Local, regional and national public authorities

TOTAL BUDGET

€ 951.831

marine and coastal  
transport services  
and nodes by  
promoting  
multimodality in the  
programme area

---

**LEAD**

**PARTNER**

**Marche Region -  
Local Public  
Transport Logistics  
And Viability**

associates

- Regional development agencies
- Enterprises transport operators including operators of multimodal logistics hubs, infrastructure providers
- Transport associations
- Regional innovation agencies
- NGOs
- Education and training organisations as well as universities and research institutes.

STEP-UP project is capitalizing the results of INTERMODAL and will use the information technologies and applications to foster the multimodal passenger mobility and will identify best practices to reduce common technical and organizational problems. The project foresees 6 pilot activities that will test the implementation of the new services promoted into the mobility platform for a benefit of both - citizens and tourists - in

terms of easier travel planning concerning urban, interurban and cross-border level.

## KEY PROJECT NUMBERS

**952.000** €

TOTAL BUDGET

**809.000** €

ERDF

**143.000** €

## PARTNERSHIP

### LEAD PARTNER

Marche Region - Local Public Transport Logistics  
And Viability

Via Tiziano, 44  
Ancona - Italy

[www.regione.marche.it](http://www.regione.marche.it) - sezione Trasporti e Logistica

**Local Public Transport Logistics And Viability**

Marche Region has developed several initiatives to support sustainable urban mobility policies at local and European level and it has a consolidated experience in implementation of EU projects in this field. Local Public Transport, Logistics and Viability Unit has the competence on managing mobility pattern at regional level, as established by Italian Government and by Regional Authority itself, and, as main role, the capacity to influence directly regional and local policies.

Contact person: Cinzia Colangelo

E-mail: [cinzia.colangelo@regione.marche.it](mailto:cinzia.colangelo@regione.marche.it)

---

## PROJECT PARTNER

Emilia-Romagna Region - General directorate for knowledge, labour and enterprise economy  
[www.regione.emilia-romagna.it](http://www.regione.emilia-romagna.it)

---

The Tourism and Trade Department of Emilia-Romagna Region elaborates and manages activities to achieve the objectives of growth and development of the regional productive and territorial system. The actions and strategies implemented aim at enhancing the natural, artistic, and cultural attractors of the areas that are strategically important for improving the tourism competitiveness of the territories and the regional system as a whole.

---

Contact person: Laura Mingozi

E-mail: [maura.mingozi@regione.emilia-romagna.it](mailto:maura.mingozi@regione.emilia-romagna.it)

## PROJECT PARTNER

Municipality of Lecce  
[www.comune.lecce.it](http://www.comune.lecce.it)

---

The Municipality of Lecce is represented in STEP-UP project by three Departments: "Informative System for technical support and infrastructure", "Traffic, road and signage" and "European Community and Strategic Planning" Department. The organization has twenty years' experience in the design and management of European, national and regional projects funded by structural funds.

---

Contact person: Antonio Esposito

E-mail: [a.esposito@comune.lecce.it](mailto:a.esposito@comune.lecce.it)

## PROJECT PARTNER

University of Trieste - Department of Engineering and Architecture  
[www.units.it](http://www.units.it)

---

### **Department of Engineering and Architecture**

---

The Research group, led by Prof. Walter Ukovich, has expertise on management of distribution networks and systems, traffic control, public transportation systems, production planning and control, logistics, innovation and evaluation problems. It belongs to The Department of Engineering and Architecture, one of the largest structures in the University of Trieste. It includes many research groups hosting a wide range of experts ready to be consulted for sharing knowledge.

Contact person: Maurizio Fermeglia

E-mail: [rettore@units.it](mailto:rettore@units.it)

## PROJECT PARTNER

County of Split-Dalmatia - Department Of Economy, Eu Funds And Agriculture  
[www.dalmacija.hr](http://www.dalmacija.hr)

---

The County of Split-Dalmatia has experience in preparation and implementation of national and international projects. The Institution has competent staff in implementing multidisciplinary projects that require regional and international cooperation skills and the positive results in international and regional projects, in the fields of: regional development, environmental protection, balanced development of public utilities, county infrastructure, research and development of green economy projects.

Contact person: Bućan

E-mail: [martin.bucan@dalmacija.hr](mailto:martin.bucan@dalmacija.hr)

## PROJECT PARTNER

City of Šibenik  
[www.sibenik.hr](http://www.sibenik.hr)

---

### **Department of Economy, Entrepreneurship and Development**

---

City of Šibenik is local authority body responsible for the planning and implementation of all public service related activities. The Department of Economy, Entrepreneurship and Development is in charge for the implementation and coordination of all projects financed from various EU funds. Through STEP-UP project, City of Šibenik wants to improve overall quality of transport services, increase mobility and promote sustainable transport solutions.

Contact person: Petar Mišura

E-mail: [petar.misura@sibenik.hr](mailto:petar.misura@sibenik.hr)

# PROJECT PARTNER

Zadar Airport Ltd.

[www.zadar-airport.hr](http://www.zadar-airport.hr)

---

Zadar Airport is one of the largest international airports in the region. Currently there are 107 people employed at Zadar Airport working within 5 different sectors. With the STEP-UP project, Zadar Airport will improve existing safety protocols by harmonizing the safety standards with the best practices and facilities implemented in major European terminals and improving the procedures.

---

Contact person: Irena Ćosić

E-mail: [irena.cosic@zadar-airport.hr](mailto:irena.cosic@zadar-airport.hr)

## PARTNERSHIP

Discover Italy-Croatia partners' network

**Select a pin or zoom the map to discover projects**

The partners represent the starting point of cooperation

The quality of a project depends largely on an adequate composition of its partnership, able to pool all skills and competences of relevant institutions in order to achieve the set of project results, having the capacity to create strong links to target groups addressed by the project.

## STEP-UP DOCUMENTS

All the documents produced through STEP-UP project at one place.

**STEP-UP PROJECT SUMMARY**

**WORK PACKAGE 2 > COMMUNICATION ACTIVITIES**

**WORK PACKAGE 3 > DEVELOPMENT OF FEASIBILITY/EXECUTIVE STUDIES ON MULTIMODAL ASPECTS**

**WORK PACKAGE 4 > PILOT THE INTEGRATION BETWEEN DIFFERENT INFO-MOBILITY SERVICES**

**WORKING PACKAGE 5 > CREATION OF NEW JOB PROFILES, PROFESSIONAL TRAINING AND BUSINESS MODEL DEVELOPMENT**

**PROGRAMME OUTPUT INDICATOR**

## STEP-UP TRAINING SESSIONS

Three conferences were organised as the Training Session of STEP-UP project, INTERREG ITALY-CROATIA funded by the European Regional Development Funds. The conferences aim to promote the knowledge of the fields of tourism, multimodality and ICT systems applied to passenger flows, and bring attention to development projects involving the Adriatic area between Italy and Croatia.

**TRAINING SESSIONS I - INFOMOBILITY FOR SUSTAINABLE PASSANGERS' FLOW BETWEEN ITALY AND CROATIA**

**TRAINING SESSIONS II**

**TRAINING SESSIONS III**
