Input paper "Interreg Italy-Croatia Programme contribution to the debate on the next programming period"	Programme document (approved by the MC)	The document wants to be an input to the on-going debate on the 2021-2027 programming period. Italy-Croatia Programme's MC representatives strongly advocate the importance of maintaining and strengthening the maritime dimension of the cross-border cooperation in the Adriatic Sea, highlighting its specificity compared with the terrestrial dimension and its complementarity with the transnational dimension.	https://www.italy-croatia.eu/docs-and-tools-details?id=42271&nAcc=4&file=1
EC Orientation paper for the maritime CBC programmes in the Adriatic Area	Orientation paper provided by the European Commission (EC)	This document sets out key characteristics of the Adriatic-Ionian area and outlines options and orientations for the programming of future Interreg cross-border interventions in the area. The paper should be considered alongside the Adriatic orientation paper that has been produced by DG Regional and Urban Policy to prepare the future transnational Interreg programme that will be active in the same sea basin	http://coopterritoriale.regione.veneto.it/wp-content/uploads/2020/04/20191227-MOP-Area-Adriatico-Ionica.pdf
