

Interreg Italy-Croatia

The latest news about Interreg Italy-Croatia

The Italy-Croatia CBC Programme promotes cooperation between the areas of the two European Union members overlooking the Adriatic Sea.

The Programme allows regional and local stakeholders to exchange knowledge and experiences, develop and implement pilot actions, products and services, support investments, and test the feasibility of new policies, with the ultimate goal of **improving the life quality and conditions of over 12,4 million citizens living in the area.**

Interreg Italy-Croatia Programme 2021-2027 in preparation!

The Interreg Italy-Croatia CBC Programme 2021-2027 will focus on the **blue economy, capitalising on previous cooperation experiences and strengthening synergies with EUSAIR.** The programme will be presented to all stakeholders and prospective beneficiaries in autumn 2022.
