## TAKE IT SLOW

# PROJECT WEB KICK – OFF & MEETING MINUTES

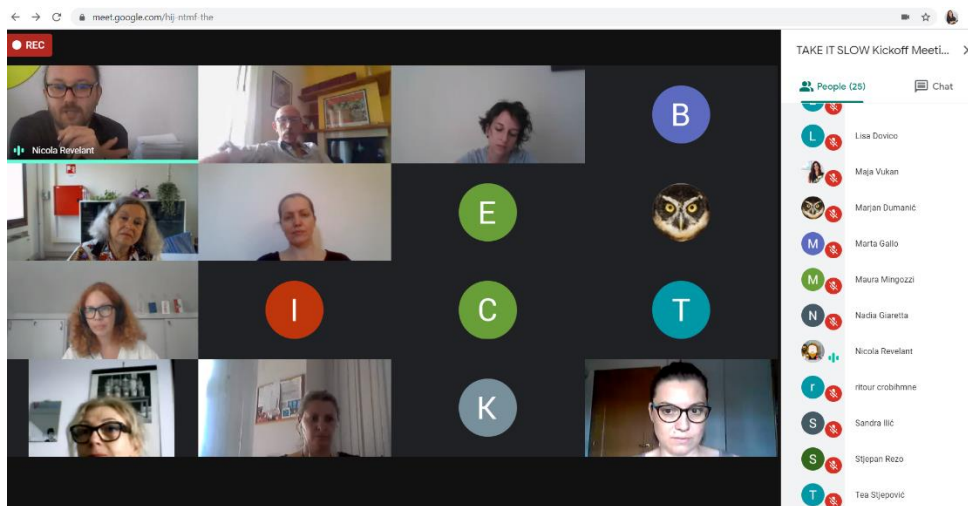

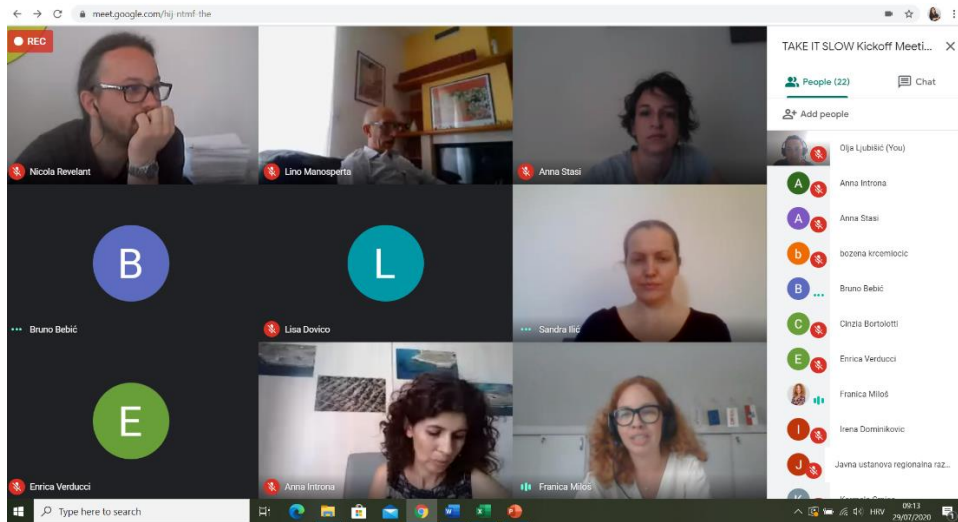

Organization: Lead Partner – Dubrovnik Neretva County

July 29th – 30th 2020

With the recent COVID19 outbreak, the international measures put in place and the related implications on in-person events and meetings, TAKE IT SLOW faced an unusual scenario and agreed, thanks to a close collaboration with the Joint Secretariat, to go online in order to avoid any further consequence on the project implementation.

The kick-off meeting of TAKE IT SLOW project took place so online on 29th and 30th July 2020. Through the official start of the project, partners had the opportunity to meet each other, get all information needed and the Lead Partner could ensure a project start-up with the same level of understanding of the project.
