## Cross fertilization online meeting

### Description

PI RERA SD organized cross fertilization meeting on 4th May 2023 on Faculty of Economics, Tourism and Business in Split to represent a project TAKE IT SLOW to students of tourism, management, and economics and also to all interested individuals. 32 people from different institutions and private companies participated on the meeting. After project presentation, PI RERA SD project team presented slow tourism concept and started discussion about slow tourism and its opportunities for development in Split Dalmatia County.
