## CROSS FERTILIZATION MEETING

PP9 ABR REG has organized on 23rd June 2023, a Crossfertilization meeting. The event was held in Pescara, at Porto Turistico, in the scope of “Terrà” (the 2nd Forum on Energy Transition <https://www.terrapescara.it/>); it was a great opportunity for cross-fertilization, wider-spreading and stronger stakeholder’s engagement; the regional Councillor for tourism took the floor to outline the activities and important achievements of the TAKE IT SLOW Project. (<https://www.terrapescara.it/23-giugno-2023/>) .

Unfortunately the organizers of “Terrà” event doesn’t insert into the signature list the request of privacy for the attenders, and has not been possible to upload the participant lists.
