PP5/PTFVG organized, in cooperation with the Local Association Pro Loco Nediske Doline, on Saturday 11th of June, a slow walk to discover history, art and gastronomy of the Natisone Valleys.

The walk, suitable for everyone, was also an excuse to do some exercise, chat with others on the way and discover the beauty of this corner of the region Friuli Venezia Giulia, surrounded by nature and by many traces of its precious past as the ancient little churches.

Participants had also the opportunity to discover the traditions and taste local products as cheese, trout and delicious cakes

The participation was free and open to all. 25 participants registered for the event.

We could also distribute to all of them the gadgets produced with the project TAKE IT SLOW.
