BIKE LANES IN DUBROVNIK-NERETVA
COUNTY

PP 11 DNR
Status: final
Distribution: (public)
Date: 27.06.2022

Event summary

In Popovići in the Municipality of Konavle on June 13, 2022. solemnly marked the completion of the cyclo-center investment. It is a project co-financed from the INTERREG Italy-Croatia cross-border cooperation program, from the MIMOSA project.

In addition to the cyclo-center opened in Popovići, 19 bicycle service sets and 20 bicycle racks for cyclists are being set up in the entire Dubrovnik-Neretva County. All investments are made in cooperation with local self-government units and tourist boards from the county.

'Cyclo-tourism is considered to be one of the fastest growing branches of tourism in the world. For example, in the European Union alone, the contribution to the cycling economy is € 44 billion. Our county, in this segment, has great potential - primarily due to the pleasant climate and diverse terrain suitable for both professional cyclists and recreational cyclists. We have numerous cultural and natural contents, possibilities of connecting with gastronomic or cultural routes and, indeed, cycling tourism is a direction in which we will further develop and on which we will continue to work', said on this occasion the prefect Nikola Dobroslavić.

The gathered were greeted today and the Mayor of Municipality of Konavle Božo Lasić emphasized the value of this project for the whole of Konavle. As part of the arrangement of the cyclo-center, a nearby children's playground was arranged, which was co-financed with the funds of the Municipality.

Ivo Klaić, Head of the Administrative Department for Entrepreneurship, Tourism and Maritime affairs, presented the course of the MIMOSA project in the Dubrovnik-Neretva County, emphasizing that, in addition to cyclo-facilities, lifters for people with disabilities have been installed on beaches in Orebić, Korčula, Dubrovačko primorje, Konavle and Župa Dubrovačka.

Audience

42 participants – 24 from Regional public authority representative, 2 from Bicycle Club, 1 from Dubrovnik Airport, and 15 local participants from Konavle region.
