Oggetto: PP6 Marche Region - urgent message

Dear LP,

on behalf of the Director of the Civil Protection Direction, we are sorry to announce that we will not be able to take part at the technical meeting on October 4th in Pula due to the flood emergency that occurred in the Marche region on September 15th. For the same reason, all employees of the Civil Protection Direction will be engaged in management activities for the next twelve months, to restore the areas so badly affected by this disaster.

Concerning the participation of Marche Region as PP6 in the FIRESPELL project, evaluate the situation, in compliance with the Director of the Civil Protection Direction, we are forced to represent to you that we will not be able to organise the High Level Conference and SC planned for the next month of November.

This dramatic situation engage the whole Civil Protection Direction and for this reason Marche Region, as PP6, suggest that you identify another Italian or Croatian partner who is more available to carry out this project deliverable, obviously Marche Region can make available the budget assigned.

Heard the Director of the Civil Protection Direction, Marche Region guarantees the ending of the Training Centre of Belvedere Fabriano restore and the other residual activities.

Sure of your understanding, we send you our best regards,

The Marche Region FIRESPELL team
