On May 24, 2023, PP9 Puglia Region organized a local/regional event in the frame of the Regional Conference which took place from 9:00 to 13:00 and was attended by numerous organizations. Following the welcome remarks, there were brief presentations related to various activities carried out during the project period, highlighting the results and strategies implemented. Project objectives and results were presented to the key regional and local stakeholders, with special focus to the tools developed in WP3 which was presented by Gabrielle Pizzi and Marco Papponetti (Civil Protection Section of Abruzzo Region), mostly related to the Green Paper and the Memorandum of Understanding of the FIRESPELL project.
