In the frame of the project activity 2.2. Public events, LP has participated on the Green Week Conference in Brussels, together with partners from PP5 Zadar County and PP7 Region of Istria.

Policy debates on "Delivering a Net-Zero World" theme and expert workshops organised by the European Commission, Directorate-General for Environment, with invited speakers from the world of politics, business, NGOs, and academia.

On the first day the sessions focused on the latest policy developments in the areas of biodiversity, circular economy and zero pollution. Sessions on the second day, contained more technical or specialised topics, for expert audiences.
