DESCRIPTION

The FIRESPELL project was presented to journalists during the event on 23 November 2022, organized by the Europe Center in Trieste.

The event, with informative purposes, was mainly aimed at journalists and local stakeholders with the aim of highlighting cross-border European projects and investments concerning the Gulf of Trieste.

The event is part of the journalist training programme.

Participants: the Councilor for General Affairs of the Municipality of Trieste Michele Lobianco, the Councilor for the Environment and Energy of the Friuli Venezia Giulia Region, Fabio Scoccimarro with Lorenzo Bandelli, Director of the Innovation and Citizen Services Department of the Municipality of Trieste.

The FIRESPELL project was presented by the director of the Regional Agency for the Protection of the Environment of Friuli Venezia Giulia, Anna Lutman.

During the event, other projects were also presented that link numerous subjects operating in our area, to protect the environment and the value of the Adriatic Sea.
