Project Gadget

Description

Based on the type of activities to be deployed in May and June 2023, ICEA Department has prepared new gadgets:

- 2,000 backpacks and coloured pencils were produced for the 1st Info Day dedicated to children. These two gadgets complemented the colouring book designed in the framework of the project and distributed to the same children;
- for workshop activities, 100 folders and a ream with the project logo on it were also produced ;
