Info Days of the project Firespill were held in Split. The first one was organized in Split, Vučevica at the place of construction works of the Advanced Training Centre that has been visited by representatives of the Region of Istria. Also, Split Dalmatia County and Region of Istria representatives and civil emergency officials met themselves and exchange their experiences and future views in the field of the risk management with the special focus on the Centre in Vučevica. The second info day was organized in the frame of the sea demonstration exercise in Split, Vranjic where LP RERA and Split-Dalmatia County FIRESPELL team introduced and informed citizens with the goals of the FIRSPILL project and benefits of the future firefighting center.
