Introduction:

Conorzio Punto Europa successfully hosted two impactful online events, known as InfoDays, in Nereto on October 9th, 2021, and November 20th, 2021. These events were meticulously designed to achieve extensive dissemination of knowledge and raise awareness among n. 600 young students of Peano Rosa High School.

Objectives achieved:

The primary objectives achieved by these InfoDays were to educate and sensitize students on the following key topics:

- Understanding the role of civil protection and emergency response systems.
 - Earthquake risks
 - Risks of forest fires
 - Appropriate behaviors during an earthquake
 - Appropriate behaviors during a forest fire
 - Preparation of the closed group through an exercise involving sending alerts the day before an event.
- This event, organized by the Consorzio, featured a simulated earthquake scenario and related rescue activities.

Event Highlights:

Both InfoDays effectively engaged the students through interactive presentations, video content, and practical exercises. The students' active participation showcased their enthusiasm to understand and apply the acquired knowledge. The distribution of Behavior Handbooks empowered students to internalize emergency protocols, while the creation of a dedicated Telegram group facilitated communication and practice.
