PART 1

Project number:	10045161
Project Acronym:	AdriAquaNet
Project Title:	Enhancing Innovation and Sustainability in Adriatic Aquaculture
Start of the project:	01.01.2019
Duration:	42 months
WP/activity:	2.2
Deliverable name:	Press releases
WP leader:	PP2
Author (s):	Sabina Passamonti
Delivery date:	period 1-7
Status:	Final

The partners have produced 14 press releases 3 languages (total is 42 items), which were published in the project’s news/events sections of the Interreg Italy-Croatia website. These releases had the purpose to inform the project’s stakeholders on the main AdriAquaNet events.

The press releases were further disseminated via the Partners press offices and their institutional websites.

The list of press releases is below.
