

## ITACA

# “Training workshops for SP fisheries operators”

WP5	<b>Cluster establishment and wide scale utilisation of the ICT system</b>
Activity 5.2	<b>Human skills development and competences</b>
D5.2.1	<b>Training workshops for SP fisheries operators</b>
Responsible PP	<b>PP1 - NATIONAL RESEARCH COUNCIL (CNR)</b>

## Follow up report on the event/meeting

<b>Type of event</b>	<b>Physical</b>
<b>Location</b>	<b>Ancona Harbour (AN) and Martinsicuro (TE)</b>
<b>Date of the event</b>	<b>17/03/2022; 18/03/2022</b>
<b>Time/Duration</b>	<b>3 hours each one</b>
<b>Purpose of the event (What was the objective?)</b>	<b>Workshops were, aimed at: 1) raising the awareness of SP fisheries operators towards sustainability of fishing activities also improving the knowledge and capacities in terms of responsible fishing catches; 2) development of business capacities and skills of operators by transferring the approach and the benefit of the adoption of a coordinated system of catches, planned throughout the econometric model and ICT system; 3) train the operators in the utilisation modalities of the ICT system (with ICT trainers).</b>
<b>Short description of the event (what happened during the event?)</b>	<b>Training workshops were carried out through phone calls and personal contacts. Specifically, a first introduction of how to use the web application was carried out when tablets have been delivered to Ancona SP fisheries operators (17/03/2022) and to Marche Sud SP fisheries operators (18/03/2022) by the CNR team. At the meeting organised in Ancona by the CNR team (Silvia Angelini, Filippo Domenichetti and Roberto Cacciamani) participated one representative of the Ancona SP cooperatives (Paolo Paroncini), which is the one delegated of</b>

	<p><i>using the ITACA web application for the Ancona harbour. Indeed, the meeting organized in Martinsicuro (Marche Sud) by the CNR team (Silvia Angelini and Roberto Cacciamani) was attended by one representative of the Naval Pesca Srl and Op Abruzzo Pesca Srl (Carla Massetti) and two fishermen. CNR team, Paolo Paroncini for Ancona harbour and a representative of Marche Sud (Barbara Zambuchini) attended the online training course organized by the LP on the 5th November 2021.</i></p>
<p><i>Results/Outcomes of the event (What are the takeaways from the event?)</i></p>	<p><i>After this section, SP fisheries operators started to upload the data on the web application; some problems, mainly from Marche Sud operators, have been encountered and they were solved through different phone calls with the CNR team and emails with the developers of this application. Operators from Ancona harbour had no specific problematics during the use of the web application, however CNR team contacted them several times to check the data uploading.</i></p>
<p><i>Number of attendees</i></p>	<p><i>3 MSMEs</i></p>
<p><i>Type of stakeholders/target groups that were represented</i></p>	<p><i>SP fisheries operators of Marche Region</i></p>
