Adri.SmArtFish
 Valorisation of Small-scale ARTisanal FIShery of the Adriatic coasts, in a context of sustainability

PROJECT DURATION
 January 2021 - June 2023

ERDF
 2.750.000,00

TOTAL BUDGET
 3.240.250,00

Small-Scale Fishery is the most relevant fishery segment worldwide, and in the northern Adriatic alike. It is deeply rooted in local traditions, adapted to the environment, and inherently sustainable, but it is threatened by many issues. Exploiting its great adaptability, the Project will strengthen it within the cooperation area, and promote its potential for sustainability.

The banner features a blue and white color scheme with a map of the Adriatic coast in the background. It includes logos for Interreg Italy-Croatia and the European Union. The title 'Adri.SmArtFish' is prominently displayed in a blue circle, followed by the subtitle 'Valorisation of Small-scale ARTisanal FIShery of the Adriatic coasts, in a context of sustainability'. Below this, three blue arrows point to the right, containing project details: 'PROJECT DURATION January 2021 - June 2023', 'ERDF 2.750.000,00', and 'TOTAL BUDGET 3.240.250,00'. A paragraph of text describes the project's focus on small-scale fishery. At the bottom, there are sections for 'CONTACT' (Regione del Veneto) and 'PROJECT PARTNERS' (listing Regione del Veneto, Regione Emilia Romagna, and others).
