EVENT DESCRIPTION

On December 11th, 12th and 14th 2019, the Italian Red Cross - Regional Committee of the Marche Region held a series of workshops open to the citizenship who had as their main theme the "Climate change: knowing them to live in a conscious way".
On the first day of Wednesday 11 December, UNIVPM was invited to talk about various aspects, from the definition of the problem to the possible measures that individual citizens or groups of associations can implement in everyday life, bringing the example of active citizenship from the Interreg RESPONSE Project.
