## Abstract/Executive Summary

The **Work Package 2 – “Communication activities”** aimed at ensuring a constant promotion and publicity of project objectives, outcomes and results, during whole project duration to public.

In this way **Activity 2.4 – “Promotional materials and media relations”** aims to raise awareness about the PEPSEA project, through a strength collaboration with media to better circulate project messages through media channels and through the distribution of promotional items.

**Deliverable D.2.4.1. – “Eight posters presenting the project designed, printed and hoisted at entrances of LP and PP's institutions buildings”** refers to a mandatory action of Interreg Italy-Croatia Program, as defined by Project Brand Manual.

Following the guidelines provided by the Program, PEPSEA project partners printed and placed the project poster (A3 format) in a place easily visible to the public, usually in the entrance area of a building.

Photographic evidence of this operation is provided below for each partner.
