D. 2.4.1: Info day

Summary

N. 1 – 25 06 2022 INFO DAY HELD FOR THE PUBLIC IN OSTELLATO

INFO DAY

The final EXCOVER event was organised on **Saturday 25th June** in the context of the well-known and popular local fair dedicated to Saints Peter and Paul. This is a much-attended annual event for the Ostellato community, a four-day event featuring concerts in the main square, food stands, children's shows and stands selling typical local products. During the evening, EXCOVER flyers were distributed, and videos realized within the project and aimed at enhancing the territory were shown. The evening was attended by around 300 people. Also present at the EXCOVER stand were the mayor of Ostellato Elena Rossi and the councillor for tourism and culture Andrea Zappaterra. EXCOVER's participation in the Ostellato fair, aimed at presenting the final project results, was publicised through a press release (see WP2 Press Reviews) and with posts on DELTA 2000's Facebook page.
