Summary

The result of the deliverable had been the online publication of the digital archive of the Abbey of Pomposa at: **studipomposiani.it** for the web portal *PomposainProgress*.

The achieved product has been the result of 6 steps that involved:

1. Preliminary activities
2. Historical research, census and selection of sources
3. Digital acquisition of 524 documents
4. Filing of the documents (meta-dating through the software 'Arianna4Work')

The screenshot shows the Arianna4Work software interface for managing the digital archive of the Abbey of Pomposa. The left sidebar lists document entries, including 'Archivio Storico di Santa Maria Di Pomposa' and various individual documents like '173: Enfiteusi (1092/10/18)' and '179: Conferma di beni (1095/10/07)'. The main panel displays detailed information for document '179: Conferma di beni (1095/10/07)'. It includes fields for 'COLLOCAZIONE / SEGNAURA', 'CAMPi DESCRIPTiVi', 'ALLEGATi', and 'ENTiTÀ CITATE'. Below this, sections for 'Definizione' (TIPOLOGiA: foglio, SUPPORTo: membranaceo), 'Descrizione interna' (DESCRiZiONE: L'imperatore Enrico IV conferma al monastero di Santa Maria di Pomposa tutti i beni, i diritti, le giurisdizioni e le immunità. (cf. SAM., n. 364)), and 'Relazioni a entità' are shown. On the right, thumbnail images of the document pages are displayed, labeled 'Conferma di beni (1095/10/07) - 0001a', 'Conferma di beni (1095/10/07) - 0001b', 'Conferma di beni (1095/10/07) - 0002a', and 'Conferma di beni (1095/10/07) - 0002b'. The top navigation bar includes a search bar, a toolbar with icons for search, refresh, and edit, and a user account section for 'Admin Administratore'.

5. Deployment and configuration of the web portal

Destinazione Pomposa. Chi vuole un passaggio?

Focus su architettura, arte, archeologia, ambiente (naturale, umano, storico, culturale)... e, fuori dalle spesse mura dell'Abbazia, l'Archivio! Un archivio con la A maiuscola.
 Si pensa al tempo come ad una linea retta da seguire per mettere ordine in una catena di eventi, ma se ci guardiamo intorno è difficile distinguere le tracce nella varietà dei loro segni. Meglio... [Scopri di più >](#)

"A" come...

6. Production of scientific contents and web publication (including 5 different sections of cultural in-depths studies)

The finalization of the activity, together with the online publication, involved the configuration and installation of the multimedia station/totem in the site.

"Regula", straight board for drawing lines...

It is no coincidence that the etymology of the word 'rule' comes from the extension of meaning of the tool used to accompany the hand in drawing straight lines. A rule is nothing more than a norm (derived from experience or established by convention) indicating a constant course of events or a fixed direction of behaviour.

The Rule established by St Benedict in 534 A.D. opens with these words:
 «Listen,... [More >](#)
