1. E-CHAIN Kick-Off Meeting

Following the E-CHAIN Project application form, within the WP2 – Communication, project partners were obliged to organize E-CHAIN Kick-Off Meeting hosted by LP.

LP – Municipality of Ancona contributed to the deliverable D 2.1.4 E-CHAIN Kick-Off Meeting by organizing E-CHAIN Kick-Off Meeting in Ancona, on 12 and 13 December 2019, during the first period of project implementation. Kick-Off meeting has been held in hotel Seeport, Ancona.

On 12 December, 2019, the project “E-Chain” was presented by Andrea Di Giuseppe from the E-CHAIN project management. He presented project overall goals, contents, backgrounds, outputs and further possible developments. After first presentation, each project partner introduced themselves.

On 13 December, 2019, Marco Cocciarini presented the idea about the platform and how it will support users to plan green trips by checking options with lower environmental impact and allowing them to book the chosen route directly from the partners' websites.

The last session of the Kick-Off Meeting was dedicated to a Question Time to answer the questions and to discuss possible follow-up initiatives.
