

METRO Project

Public access to deliverable documents and additional info

For further information on the project aims and its results, and in general for any needs related to the project, please contact the Project Manager of the Lead Partner at avicenzutti@units.it.

To access the data collected and the models prepared in the WP 3 activities, please contact:

- for studies and models prepared for the designed ships: roko@riteh.hr
- for the virtual prototypes: ybucci@units.it

For any other specific needs, contact the Project Manager of the Lead Partner (mail above), who will direct you to the correct contact.
