

# PROMARES

Promoting maritime  
and multimodal freight  
transport in the Adriatic Sea

**PROJECT DURATION**  
01/01/2019 – 30/06/2021

**ERDF**  
2.361.470 €

**TOTAL BUDGET**  
2.778.200 €

Thanks to **PROMARES**, port authorities and logistic nodes can face the challenges connected to **maritime and multimodal freight transport** in the Adriatic Sea. PROMARES focuses on testing **ICT solutions**, improves **transport planning competences** and creates an enduring **cross-border cooperation network**.
