

# EVENT FOLLOW-UP REPORT

## ***Nature and society without fear***

*Biograd na Moru; April 26, 2023*

## Event summary

<b>Corresponding deliverable:</b>	2.1.2. Local event 2
<b>Type of event (in person or online)</b>	In person
<b>Location (if in person)</b>	Poduzetnički inkubator Biograd na Moru, Bukovačka 23, Biograd
<b>Date of the event</b>	April 26, 2023
<b>Time/Duration</b>	2 hours
<b>Purpose of the event</b>	BOOST5 project partner, ZADRA NOVA, organized a second local event in Biograd na moru. The purpose of this local event was an informative lecture about the importance of sustainable tourism in the Zadar area. Also, participants were introduced to the use of technology in the preservation of natural and cultural heritage.
<b>Short description of the event and key outcomes</b>	<p>32 participants took part in the second local event of the BOOST5 project. The second local event was an informative lecture about the importance of sustainable tourism in the Zadar area. Also, this event aims to present the activities of the BOOST5 project, the basis of which is precisely the sustainability of tourism.</p> <p>The local event was refer to the Study visit that was organized in Zadar County, to the documents created as part of the project (Inventory of heritage in minor territories, Best practice catalog, White paper), and to the new project ideas created through transnational laboratories in the next program period. The participants of the local event were also introduced to the role of modern technology that serves to preserve and promote cultural and natural heritage.</p>

	<p>The speakers of the second local event were representatives of ZADRA NOVA and BOOST5 project manager, Larisa Maruna.</p>
