PROJECT PARTNERS

EXTERNAL EXPERTS

Blue World Institute (PP4) staff has prepared the concept of the digital brochure whereas all partners have provided comments and photos needed for the brochure. The digital brochure presents the project HATCH, its main aims, activities and outcomes, projects that HATCH is capitalizing on as well as short explanation of Maritime Spatial Planning and its contribution to marine conservation. The brochure also features basic project information: partnership, duration and funding, along with mandatory visibility elements.

The digital brochure was made in A5 format with 14 pages. It was uploaded on the project website for public dissemination. Furthermore, hard-copies were printed and distributed during the project final conference in Split on 21st June 2023 and during the Open day public presentation held in Veli Lošinj on 30th June 2023.
